

STAKEHOLDER WORKSHOP

DLINZA FOREST NATURE RESERVE

ENTUMENI NATURE RESERVE

PROTECTED AREA MANAGEMENT PLANS

Ezemvelo KwaZulu-Natal Wildlife (Ezemvelo) is the designated Management Authority for the Dlinza Forest Nature Reserve and Entumeni Nature Reserve and is responsible for the compilation of the Protected Area Management Plans for these protected areas in accordance with the National Environmental Management: Protected Areas Act, No.57 of 2003. The Management Plan is an overarching management framework and will be compiled specifically for the Dlinza Forest Nature Reserve and the Entumeni Nature Reserve with the assistance of stakeholders through a public consultation process.

To facilitate public input in developing this plan, you are invited to attend the Stakeholder Workshop that will be held at:

Venue: Mpushini Park Hall, Windham road, Eshowe

Date: 4th October 2018

Time: 10:00am

Background documents will be available one week prior to the workshop on the Ezemvelo website www.kznwildlife.com (Pathway is “Conservation” > “Public Comment”). Should you wish to attend the workshop, please register through the contact details below by 27th September 2018.

Contact: Shiven Rambarath (033 845 1464)
shiven.rambarath@kznwildlife.com

Following the stakeholder meeting, incorporating the input and comments received, a draft Protected Area Management Plan will be developed and will be made available for further public review and comment.
